Dear Editor,

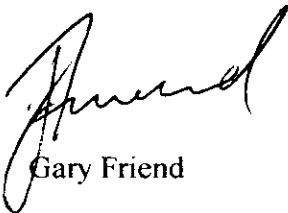

Could everyone spare a thought for federal treasurer the Honourable Peter Howard Costello, who has had to return to Australia, just when he thought he was "free" to straighten the whole World out in Paris, catch the Final of Euro 2000 in Rotterdam, catch the start of the Tour de France in Paris, "do the Tennis" at Wimbledon, experience the "Changing of the Guard" & enjoy the Australian taxpayer funded JUNKET known as "the Centenary of Federation Celebration" at Buckingham Palace, and perhaps even take in a bit of Sun on Majorca with Christopher & Pixie Skase.

Just when John Winston Howard, and every other "Politician" worth their weight in political rhetoric, has "migrated" to England for "the time of their lives" at our expense, Peter Howard Costello has been brought back to Australia to DEFEND HIMSELF, and the COMMONWEALTH GOVERNMENT, in tandem with The Australian Taxation Commissioner Michael Joseph Carmody, in the Federal Court of Australia, Melbourne Office Case No V456 of 2000, at 2.15pm Thursday July 6, 2000, in a "Class Action" on behalf of the Independent, Sovereign People of The Commonwealth of Australia.

It seems Pete, Mick and ALL the "boys" in Canberra have a few problems with "VALIDITY", "LEGALITY", "AUTHORITY", "JURISDICTION", "HEAD of POWER", and "Constitutionality", amongst others.

Everyone who supports Peter's "GST", should contact him immediately and offer him your advice and help. All Michael Carmody's supporters should write, fax, phone and e-mail him with your sincere support. Everybody else should contact Pete & Mick and offer them your condolences, both need to know just how popular they are with the Individual, Independent, Sovereign People of The Commonwealth of Australia, don't you think????

sincerely,

Gary Friend
